Why Choose Big Square?

Speed & simplicity: Fully operational in as little as 60 minutes. No cranes, no complex machinery - just a 2-person crew and standard towing. Get your activation live faster, saving costly event space rental time.

Built to last: Solid construction engineered for reliability. When your agency's reputation depends on flawless execution, Big Square delivers - event after event, season after season.

Effortless rebranding: Quick and easy interchangeable branding means one cube serves multiple clients. Rebrand between tours without downtime or specialist equipment.

365-Day reliability: Weather-resistant and tour-ready. Indoor or outdoor, rain or shine - Big Square operates year-round, not just in summer.
